ARTHROCON 2014

ARTHROCON
2014

14th Biannual Meet 2014

Updates in "Hip Arthroplasty" & "Shoulder and Elbow Arthroscopy"

Dear Colleague,

We invite you to participate in the International Symposium on Updates in "Hip Arthroplasty" & "Shoulder and Elbow Arthroscopy" to be held on 28th September 2014, at Hotel Malabar Palace, Calicut, Kerala. The symposium is the signature event of Indo Korean Orthopaedic Foundation (IKOF).

The IKOF is designed to advance its mission of updating the knowledge in the field of orthopaedics, sharing experiences and cutting edge techniques and providing provisional development opportunities to young orthopaedic surgeons. This is a podium for enhancing the exchange of clinical and scientific knowledge and comradeship.

Rocco P Pitto, from University of Auckland Medical and Health Sciences, New Zealand will be sharing his experiences on THR. He has authored more than 100 articles and more than 20 book chapters. He is the Deputy Editor of Journal of Clinical Orthopedics and Related Research.

The programme includes live surgeries, debates, interactive case discussions and instructional course lectures by masters in the field.

For the first time in the state, there will be live Elbow Arthroscopy surgery for this CME.

We have limited seats for this course. So register early.

We look forward to seeing you in Calicut on 28th September, 2014.

With warm regards,

Dr Anwar Marthya, Organising Secretary

Prof MK Vishwanathan
Patron

Y Y Won
Patron

Prof Dinesh Shanker
Patron
